

# Minister Confirms Projects in Huambo

---

3/13/17

***The Minister of Agriculture, Marcos Nhunga, started on Monday, 13, the verification of the execution of projects of the sector, ongoing in Huambo province.***

At the Albano Machado airport, Marcos Nhunga received welcome greetings from the governor of Huambo, João Baptista Kussumua. The minister's agenda includes visits to the forest production project "Viveiros Santo Amaro" and the "Osema Yeto" Factory, at the province's headquarters.

The program also includes the evaluation of the execution of the corn cultivation projects called "Kuindi", "Bom Jesus Calenga" and the construction of silos, all in progress in the municipality of Caála.

Minister Marcos Nhanga will also go to the Mbave Farm in the municipality of Tchicala-Tcholoanga, where he will also visit a cattle raising project.
